

Applications Without Notice ("AWNs") Arrangements to see a Chancery Master

"The Chancery Masters have decided to change the time at which Applications Without Notice ("AWNs") are dealt with. They will no longer be dealt with at 2.15.

As from 1st April 2015, the normal time for AWNs will vary depending upon the individual preference of the Master. The times are:

Chief Master Marsh 10.30 - 10.45

Master Bowles 2.00 - 2.15

Master Price 2.00 - 2.15

Master Teverson 2.00 - 2.15

Master Clark 10.30 - 10.45

Vacant Master 10.30 - 10.45

It remains the case that, unless there is a good reason to the contrary (such as genuine urgency), an Awn should be made to the assigned Master."
